

Caring for the Caregiver

2018 Conference for Family Caregivers
Friday, April 20, 2018 8:30 am – 2:30 pm *

Sheraton Kona Resort and Spa
78-128 Ehukai St. Kailua Kona, HI 96740

Keynote Speaker: Emme Tomimbang

Throughout her career as a TV broadcaster Emme Tomimbang mastered the skill of multi-tasking. Her work days were filled covering several news stories a day – then returning to the TV station to write, produce and supervise the editing of those stories. Years later, as the independent producer of *Emme's Island Moments*, she assumed what would become the biggest job of her life – that of unpaid family caregiver for her late husband, Judge Jim Burns. But her story doesn't end there – as Emme the caregiver became Emme the care receiver.

Panel on Caregiving

Panelists Karen Klemme, RN, Brain Injury Support Coordinator and Karyn Clay, Founder, HoʻoNani Adult Care Services, join Emme for an interactive discussion with the audience on caregiving and receiving care.

Understanding Dementia
